THAT IS, something is wrong with baby, but we can't tell just what it is. All mothers recognize the term by the lassitude, weakness, loss of appetite, inclination to sleep, heavy breathing, and lack of interest shown by baby. These are the symptoms of sickness. It may be fever, congestion, worms, croup, diphtheria, or scarlatina. Do not lose a minute. Give the child Castoria. It will start the digestive organs into operation, open the pores of the skin, carry off the fætid matter, and drive away the threatened sickness.

Gennine Castoria always bears the signature of Charte Fletcher.

### LEVINSON BLAZES A BARGAIN TRAIL.

(a). We confess we overbought ourself, that we overloaded with the swellest line of o thing, furnishings, shoes and hats we've had in years. Now we've got to pay the hills, and it becomes necessary to raise immediate eash. In order to do so we've contracted with the Savilie Clothing Sales Company, whose agents have without mercy annihilated every former price. Whatever your needs may be for the immediate future or for a year to come, you should act You Will be anazed at the terrific hammering of every price. But we are determined to raise each, no matter how serious the loss may be. NECESSITY KNOWS NO LAW. To anyone in this community half needing men's, mays and children's clothing, shoes and furnishings also ladies' and masses' shoes, including America's most famous and leading brands, this Profit Annihilation Sale will prove a revelation and a boon indeed. To really appreciate these remarkable values you must really see the goods themselves, marked in plain figures. We do not run sales often, but when we do we run a REAL SALE, as a single glance inside this store will convance you. If you can best our prices elsewhere, we will cheerfully refund your money on your

### MONEY WILL TALK AT LEVINSON'S

(b). The integrity and high quality of goods handled by Levinson's is too well known to receive comment here. For years he has catered to the community's first-class trade, who know values, meeting with the success that his policy and merchandise deserved. But now for various financial reasons the entire stock is placed on sale for immediate reduction and disposal at actually less than the cost in the wholesale markets. But do not come before the opening day. These advertised values will be on sale only commencing on the advertised opening day. This unequivocally will be the greatest and grandest opportunity that ever happened t eyon in all your buying experience. We defy competition anywhere to duplicate the prices of this sale. Some may attempt to mislead by equalling our prices on paper by giving various pretexts and excuses at the store. Bring this advertisement with you and compare the goods at the store. That Il tell you more in a minute than we can tell you in this cutire advertisement. As prices quoted are less than the cost of the raw materials, all goods will be sold exactly as marked and no goods will be sold on credit. Cash only in every case.

## Of All Former Profits in a Whirlwind Cash Raising Sale. CASH THE MOTIVE.

A SALE WITHOUT A PEER OR PARALLEL! A SALE UNEXAMPLED AND EXTRAORDINARY! THE SENSATION OF CONNELLSVILLE AND SURROUNDINGS FOR YEARS TO COME WILL BE THIS DRASTIC ANNIHILATION. LOOK FOR THE RED SIGN AND BEWARE OF IMITATORS AND CHRONIC SALE MAKERS. WE ARE NOT GOING OUT OF BUSINESS AND ARE NOT IN THE HABIT OF MAKING SALES EVERY MONTH OR TWO. TOO MUCH STOCK AND THE IMPERATIVE NECESSITY TO RAISE IMMEDIATE CASH ARE THE ONLY REASONS WE CONDUCT THIS SALE, AND WHEN WE DETERMINE TO HAVE A SALE WE MEAN BUSINESS, AND OUR PRICES PROVE IT! COMPARE THEM WITH OTHER SO-CALLED SALES AND SATISFY YOURSELF IN EVERY POSSIBLE WAY.

# **Educate** Your Child

### At Our Expense

The fact that hundrers of parents have already enrolled their children as mem bers of the "E Dunn Educational Fund" has proven its popularity. Popular because it is liberal and liberal because it doesn't cost you a single penny. Just magine if you will some fourteen years hence, the day your boy or girl is leaving for col lege, the satisfaction you will have in realizing that a great part, if not all, the expense will be taken care of by this

To become a member of this fund you samply fill in the below coupon and return it to us, upon receipt of which we will place one dol lar to your child's credit in the Title & Trust Co. of this city. Also there will be added to the account at the end of each month 5% of all the amily's eash purchases, and further increased by the Bank's regular some-annual interest, which at the end of fifteen years (the length of time this account is to stand) should amount to a good round sum.

Five Hundred Babies is our aim for February's enrollment and we may or may not reach the mark. If we do not we feel it will be because our readers do not fully understand the benefits to be derived from this umque proposition. When your child becomes a meniber of this fund the account belongs to it, and a regular bank book will be given you by calling at this store.

If your child is not al ready a member of this fund we targe you to join now Send in its name before the first of the month and make the most of this opportunity.
